## WEST VIRGINIA BRIEFS

MORGANTOWN: William Pietro, 11-year-old son of James Pietro, died in the City hospital of injuries received when a horse kicked him as he fell from a tree while gathering walnuts.

MARTINSBURG: While hunting squirrels in woods near here, Mrs. John W. Brown came suddenly upon a blacksnake. Quickly recovering

her composure, she leveled her gun at the reptile and blew its head off. It measured six feet. Having gone a short distance on her way she killed another blacksnake.

HUNTINGTON: The local chapter of the Daughters of the American Revolution have petitioned the city commissioners to change the name of the new driveway along Fourpole

## ABOUT 300,000 BABIES DIE BEFORE ONE YEAR

The Census Bureau estimates that 300,000 babies died in this country last year before the age of one year, and it is stated that one-half of these deaths were needless if all mothers were strong and infants were breast-fed.

Expectant mothers should strive to increase their strength with the strength building fats in Scott's Emulsion which improves the blood, suppresses nervousness, aids the quality of milk, and feeds the very life cells.

Physicians prescribe Scott's Emulsion; it is doubly important during nursing. No alcohol. Every drug has it. Insist on Scott's—the white food medicine. No advanced prices. Scott & Bowne, Bloomfield, N. J.

creek to Washington boulevard, because it was originally surveyed by George Washington. The chapter was granted permission to set markers at the corners designated by Washington.

PARKERSBURG: W. W. Van Winkle has been elected president of the First National Bank to succeed the late Charles C. Martin.

PARKERSBURG: Verdon T. Renner, connected with the freight department of the Baltimore and Ohio railroad here for ten years, has resigned in order to become traveling freight agent for the Coal and Coke railroad with headquarters at Elkins.

WHEELING: Attended by Masons from all over the state, the corner stone of a new Scottish Rite cathedral was laid with imposing ceremonies here. A former cathedral was destroyed by fire some time ago.

PARKERSBURG: An important deal in lumber circles has been completed by which G. L. Dudley and G. J. Dudley, Jr., take over the interest of W. S. Mercereau in the Mercereau Lumber Company. A new company has been organized to be known as the Arrow Lumber Company with George P. Morgan president.

CHARLESTON: Scientists in the federal department of agriculture have branded as a "nature faker" the man who first inspired the old saying frequently heard in the West Virginia persimmon belt, that "persimmons are good for dogs, hogs and possums." This is declared to be a gross injustice to a valuable food product of West Virginia and neighboring states to the South.

CHARLESTON: Trainmen on the Baltimore and Ohio railroad, between Parkersburg and Grafton, have recently made complaints to the public service commission that the use of big engines in hauling heavy trains through the tunnels, of which there are twenty-three, between the two points, makes it almost impossible for the engineers and firemen to do their work without danger of suffocation. E. E. Winters, railway inspector for the commission, has investigated conditions and will make a report later.

## ITCHING ECZEMA SPREAD OVER FACE

Got in Hair. Would Burn. Badly Disfigured. Hair Came Out in Spots. Dry and Lifeless. Cuticura Healed. Hair Now Beautiful.

R. F. D. No. 4, Box 134E, Norfolk, Va.—"I suffered from an eruption which started as a scale around my nose. It would itch and burn and finally it spread over my face and got in my hair. I was badly disfigured. When it was warm I was compelled to scratch it to get ease. Wherever it was on my head the hair would come out in spots. My hair had become dry and lifeless. For three years I worked faithfully trying remedies that different people would recommend and it would heal up for a little while and then continued to itch. Finally one day I bought some Cuticura Soap and a box of Cuticura Ointment and they healed my eczema and now my hair is beautiful." (Signed) Mrs. L. A. Peace, Sept. 23, 1914.

For pimples and blackheads the following is a most effective and economical treatment: Gently smear the affected parts with Cuticura Ointment, but do not rub. Wash off the Cuticura Ointment in five minutes with Cuticura Soap and hot water and continue bathing for some minutes.

Sample Each Free by Mail
